

**STEP 1:** Select your suit

**STEP 2:** Choose your size and place the suit in your basket, and when finished shopping, complete the Check Out process.

**STEP 3:** Download the PDF form and start designing your own custom made race suit. If ordering a made-to-measure suit please also download the PDF custom size form too.

**STEP 4:** All colour choices need to be made using the industry standard Pantone colour reference. For help in choosing and locating the correct code, please visit <http://www.pantone.co.uk/pages/pantone/colorfinder.aspx> and enter in the search box indicated the colour you are searching for.
